Dear Colleagues,

Conference Series LLC LTD., is delighted to welcome you to Seoul, South Korea for the Prestigious 7th Asia Pacific Plant Biology and Plant Science Congress. Plant Biology Congress 2019 will focus on “New Emerging Inquisitive Technologies In Plant Biology and Plant Science Research”. We are confident that you will enjoy the Scientific Program of this upcoming Conference.

We look forward to see you at Seoul, South Korea.

With Regards,

Plant Biology Congress 2019

Operating Committee, Conference Series LLC LTD. Conferences

Editorial Board Members of Supporting Journals:

Xiangyang Shi

Program Announcement

Venue

Seoul, South Korea

Important Dates

Abstract submission opens: September 22, 2018

Registration opens: September 22, 2018

Early bird registration: October 27, 2018

On spot registration: March 25, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Plant Biology Congress 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Plant science and plant Biology.

About Seoul, South Korea

South Korea is located in the southern half of the East Asia. It is bordered by the North Korea. It was established in 1948 as a modern and became world most productive economies. Seoul is South Korea's capital and largest city in agricultural sector which employs about 12 percentage and covers 6 percent of nation. Seoul occupies one quarter of the South Korea's total population. South Korea has excellent access to healthcare in both public and private sectors, covering hospitals, general practitioners, dentists and other allied healthcare professionals. If you are thinking of spending your holidays, then Brisbane in Australia is the place you must visit. In 2019 this beautiful city will be hosting the combo of Plant Biology conference as 7th Asia Pacific Plant Biology and Plant Science Congress. 7th Asia Pacific Plant Biology and Plant Science Congress conference brings all the Health care professionals, researchers, doctors with interactive talks, sessions, symposiums, workshops in the key area of plant science and plant biology which is going to be at May 01-02, 2019.
