# Venue & Hospitality

Dubai has grown as a city and global business center of the Middle East. It is also an important transportation center for passengers and goods. In the 1960s, Dubai's economy was based on trade revenues and, to a lesser extent, on oil exploration concessions, but oil was not discovered until 1966. Oil revenues began to flow in 1969.

There are several tourist attractions in Dubai, resulting from a large scale construction boom. Mohammed bin Rashid Al Maktoum, the current ruler of Dubai and the prime minister of the United Arab Emirates, wants Dubai to become the top tourist destination in the world.

Various other tourist attractions include, the sky-piercing Burj Khalifa, houses the Dubai Museum, Jumeirah Mosque, Atlantis Palm Jumeirah, Dubai Aquarium and Underwater Zoo, Ski Dubai, Dubai Ice Rink.
