Proteomics Congress 2019

Invitation

Dear Attendees,

We are glad to announce the **13th International Conference and Expo on Proteomics and Bioinformatics** to be held in **Zurich, Switzerland** from **July 11-12, 2019** organized by Proteomics Meetings in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Proteomics, NMR and Mass spectrometry, Bioinformatics, Cancer Biology, Cancer Science, Structural Biology, Translational Neurobiology, Protein Expression and Analysis, Genes and Human Biology, Cardiac Proteomics, Glycobiology, Cardiac Cell Biology, Biochemistry Research and Biophysics, Computational Biology and Computer Modeling, Molecular Interactions and Biomarkers.

As the arch event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Join the Proteomics Congress 2019 Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Zurich coming July.

Sincerely,

Proteomics Congress 2019

Organizing Committee

Benefits to Attend

- Use the event as a platform to launch/showcase a new technology
- Enhance current customer relationships
- Get ahead of your competitors
- Increase/enhance company profile with key figures
- Attend the presentations and disseminate knowledge back to co-workers
- Meet, network and influence key decision makers within the community
- Engage with delegates and speakers to share hands-on experience
- Promote existing products to a new audience

Delegate Profile

It is anticipated that up to 150 delegates will attend the 13th International Conference and Expo on Proteomics and Bioinformatics. The audience will comprise of proteomicist, pharmaceutical leaders, bioinformaticians, physicians, doctors and healthcare professionals with an interest in proteome and its related research fields. Proteomics meetings bring together both senior and junior researchers from leading European groups with international reputations in the field of proteome, mass spectrometry, bioinformatics and all the related research areas.

The meeting is publicized widely amongst its members and previous attendees. The Main Announcement/Call for Abstracts is also distributed to members of all of the national and European societies. Flyers are also made available at relevant conferences in the run-up to the meeting to encourage abstract submissions and delegate registrations.
