**Video/ Virtual Presentations**

**Award and Closing Ceremony**

**Speaker Opportunity Available**
Poster Presentation:

Poster presentations are an excellent mechanism to facilitate the rapid communication of scientific ideas. The Poster exhibition will be located on the Exhibition area of the congress Centre. Each Participant in this category will be given about 5-7 minutes to present their poster including questions and answers. Judges may pose questions during the evaluation of the poster. Apart from the judging time you may also be present at the poster to share your research with interested delegates. The winners will be announced at the closing ceremony of the conference.

**Posters must be prepared in Portrait style & the dimensions should be 100 cm high by 70 cm wide**

Young Researchers Forum

This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research, Develop a foundation for collaboration among young researchers. The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe. Interact and share ideas with both peers and mentors.
