Conference Series LLC Ltd Organises 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 50000 eminent personalities, reputed scientists as editorial board members.

The **PUBLIC HEALTH SUMMIT 2020** intends to gather all the people across the globe like students, lecturers, Assistant Professors, Professors, Directors, Chairman, Chancellor, Scientists, Doctors, Managing Directors, Chief Executive Officers, Presidents and Noble Laureates and base a platform for them to share their experience, knowledge and research work, recent advancements in the field of Public Health.

Why to Attend???

PUBLIC HEALTH SUMMIT 2020 goal is to provide participants continuing dental education, propose novel research techniques, improve the skills and expertise in the areas of Dental Health, Oral Care, Public Health Dentistry, Endodontics and Orthodontics with its well-designed scientific program and quality lectures. It also paves way for making a good relationship with the dental associates through the B2B meetings and develop better business opportunities.

Conference Sessions:

All honorable authors, researchers, scientists and students are encouraged to contribute and help the shape of the conference through submissions of their posters & research abstracts. Also, high quality research contributions describing original and unpublished of conceptual, constructive, experimental or theoretical work in all areas of Public Health are warmly invited for presentations at the conference. The conference memorial contributions of abstracts and posters that address themes & future aspects of the conference related sessions.

- Nutrition & Food science
- Epidemiology and Public Health
- Nutritional Health & Epidemiology
- Public Health & Nutrition
- Reproductive, Perinatal and Pediatric Epidemiology
- Genetic epidemiology
- Cardiovascular disorder
- Food Science and Technology
- Environmental Epidemiology
- Epidemiology of Molecular Pathology
- Probiotic Nutrition
- Nutrition and Health
- Cancer Epidemiology
- Community Nutrition
- Public Health Nursing

PUBLIC HEALTH SUMMIT 2020

- Opportunity to attend the presentations delivered by eminent scientists and business professionals from all over the world.
- Selected contributions will be published in following reputed high impact factor Journals.
 - ☞ Journal of Clinical Nutrition & Dietetics
 - ☞ Epidemiology: Open Access
 - ☞ Journal of Nutrition Science Research

Program at Glance

June 01, 2020

Time	Session
------	---------

08:30 - 09:30	Registrations
---------------	---------------

09:30 -11:30	Keynote Forums
--------------	----------------

Group Photo

11:30 -11:45	Network & Refreshment Break
--------------	-----------------------------

11:45 -13:00	Rational drug design approach Biopharmaceutics Reformulation studies Pharmaceutical materials & formulations
--------------	--------------------------------------------------------------------------------------------------------------------

13:00 -13:45	Lunch Break
--------------	-------------

13:45 -16:00	Ligand-based drug desing Genetics in drug development Drug target Computer aided drug design(CADD)
--------------	----------------------------------------------------------------------------------------------------------

16:00 -16:15	Network & Refreshment Break
--------------	-----------------------------

16:15 -18:00	Novel nanotechnology applications Biomedical nanotechnology Nano particles and Nano gels
--------------	----------------------------------------------------------------------------------------------

Day Concludes

June 02, 2020

Time	Session
------	---------

08:30 - 09:30	Registrations
---------------	---------------

09:30 -10:30	Keynote Forums
--------------	----------------

10:30 -11:30	Introduction of morder engineering process New measurement and control technologies Pharmaceutical market
--------------	---------------------------------------------------------------------------------------------------------------

11:30 -11:45	Network & Refreshment Break
--------------	-----------------------------

11:45-13:00	Matrix diffusion types Future aspects of Nano medicine Nano medicine for CNS Bioanalytical techniques Spectroscopic techniques
-------------	----------------------------------------------------------------------------------------------------------------------------------------

13:00 -13:45	Lunch Break
--------------	-------------

13:45 -16:00	Rapid screening methods Environmental monitoring Product management Good manufacturing practices Industrial pharmaceutics
--------------	-----------------------------------------------------------------------------------------------------------------------------------

16:00 -16: 15	Network & Refreshment Break
---------------	-----------------------------

16:15 -18:00	Poster Presentations
--------------	----------------------

Day Concludes

Award Ceremony

Conferece Concludes

City Attractions

Venue :

Sydney, Australia

Sydney is the state capital of New South Wales and the most populous city in Australia and Oceania. Located on Australia's east coast, the metropolis surrounds Port Jackson and extends about 70 km (43.5 mi) on its periphery towards the Blue Mountains to the west, Hawkesbury to the north, the Royal National Park to the south and Macarthur to the south-west. Sydney is made up of 658 suburbs, 40 local government areas and 15 contiguous regions. Residents of the city are known as "Sydney siders". As of June 2017, Sydney's estimated metropolitan population was 5,230,330 and is home to approximately 65% of the state's population.

Despite being one of the most expensive cities in the world, Sydney frequently ranks in the top ten of lists of the most liveable cities in the world. It is classified as an Alpha+ World City by Globalization and World Cities Research Network, indicating its influence in the region and throughout the world. Ranked eleventh in the world for economic opportunity, Sydney has an advanced market economy with strengths in finance, manufacturing and tourism. There is a significant concentration of foreign banks and multinational corporations in Sydney and the city is promoted as Australia's financial capital and one of Asia Pacific's leading financial hubs. Established in 1850, the University of Sydney is Australia's first university and is regarded as one of the world's leading universities. Sydney is also home to the oldest library in Australia, State Library of New South Wales, opened in 1826.
