15:35-16:05	Title: White Tongue Because of Uremic Stomatitis as a Sign of Advanced Kidney Disease Jessica Van Ingen, University of Colorado School of Medicine, USA
Young Researchers Forum	
16:05-16:35	Title: A Unique Case of Tuberculosis induced Acute Respiratory Distress Syndrome Shmuel Price, United States
16:35-17:05	Title: Managing Pulmonary Complications in Critical Care Emily Brown, Critical Care Specialist, Johns Hopkins University, USA
16:35-17:05	Title: The Role of Genetics in Pulmonary Arterial Hypertension Matteo Rossi, Pulmonary Hypertension Specialist, University of Milan, Italy
16:35-17:05	Title: Advances in the Management of Pulmonary Hypertension Susan Park, Pulmonologist, Seoul National University Hospital, South Korea
*** Slots Available***	

Day 2 | November 29, 2024

09:30-10:15	Title: Combination Therapy in Pulmonary Hypertension: Current Evidence Javier Morales, Pulmonary Specialist, National Institute of Respiratory Diseases, Mexico
10:15-11:00	*** Slots Available***
Group Photo 11:00-11:05	
Panel Discussion	Networking & Refreshment Break 11:05-11:20
11:20-12:05	Title: Ventilator-Associated Pneumonia: Preventive Strategies Anna Petrova, Intensivist, University of St. Petersburg, Russia
12:05-13:05	Title: Emerging Pathogens in Critical Care: A Global Challenge Mohammed Ibrahim, Critical Care Specialist, King Abdullah University, Saudi Arabia
	*** Slots Available***
14:05-14:35	Title: Management of COVID-19 in Critical Care: Lessons Learned David Clarke, Critical Care Physician, Imperial College London, UK
14:35-15:05	*** Slots Available***
15:05-15:35	Title: Advances in the Management of Idiopathic Pulmonary Fibrosis Maria Santos, Pulmonologist, University of Lisbon, Portugal
15:35-16:05	Title: The Role of Antifibrotic Therapy in ILD William Lee, Respiratory Medicine Consultant, National Taiwan University, Taiwan
Panel Discussion	Lunch Break 16:05-17:05
17:05-17:35	Title: Genetic Insights into Interstitial Lung Disease Yoko Tanaka, Pulmonologist, University of Tokyo, Japan
17:35-18:05	Title: Telemedicine in Critical Care: The Future of Remote ICU Monitoring Daniel Oliveira, Critical Care Specialist, University of São Paulo, Brazil
18:05-18:35	Title: Use of Biomarkers in Predicting Critical Illness Outcomes Sophia Lange, Critical Care Researcher, University of Heidelberg, Germany
	*** Slots Available***
Networking & Refreshment Break 18:35-18:50	
Poster Presentations 18:50-20:00	
PP1	Title: Wearable Technology for Monitoring Patients with Chronic Lung Disease Sophie Granger, Respiratory Specialist, University of Nice, France
PP2	Title: "Non-tuberculous Mycobacterial Infections: Diagnosis and Management" Olivia Tang, Pulmonary Specialist, National University of Singapore, Singapore
PP3	Title: Pulmonary Hypertension and Heart Failure: A Comprehensive Approach Khaled Mahmoud, Pulmonary Specialist, Cairo University, Egypt
PP5	Title: Extracorporeal Membrane Oxygenation (ECMO) in Acute Respiratory Failure Samuel Clark, Intensivist, Cleveland Clinic, USA
Video Presentations	
PP5	Title: Precision Medicine in Asthma: New Biomarkers Naomi Goldstein, Pulmonologist, Tel Aviv University, Israel
	*** Slots Available***
Closing Ceremony and Awards
