Venue & Hospitality

Dubai is a city in the United Arab Emirates, situated inside the emirate. The emirate of Dubai is situated on the southeast shoreline of the Persian Gulf and is one of the seven emirates that make up the nation. It has the most population in the UAE (2,106,177) and the second-biggest land area by region (4,114 km²) after Abu Dhabi. It is one of only a handful couple of urban communities on the planet that has withstood such a quick transformation from an obliging start as a pearl-jumping focus - to one of the quickest developing urban areas on earth. Dubai nowadays is a business endeavour, exchange and supply centre. It is conjointly thought of dynamic core of the Arabian Gulf area. With year-round sunshine, fascinating deserts, lovely beaches, luxurious hotels and shopping malls, eye-catching heritage attractions and a prosperous business community, Dubai receives millions of leisure and business visitors each year from around the world is one of the few cities in the world that has withstood such a rapid conversion- from a courteous beginning as a pearl-diving centre - to one of the fastest growing cities on earth and has attained itself the name of being the 'gateway between the east and therefore the west'.

our DELEGATE is your CLIENT

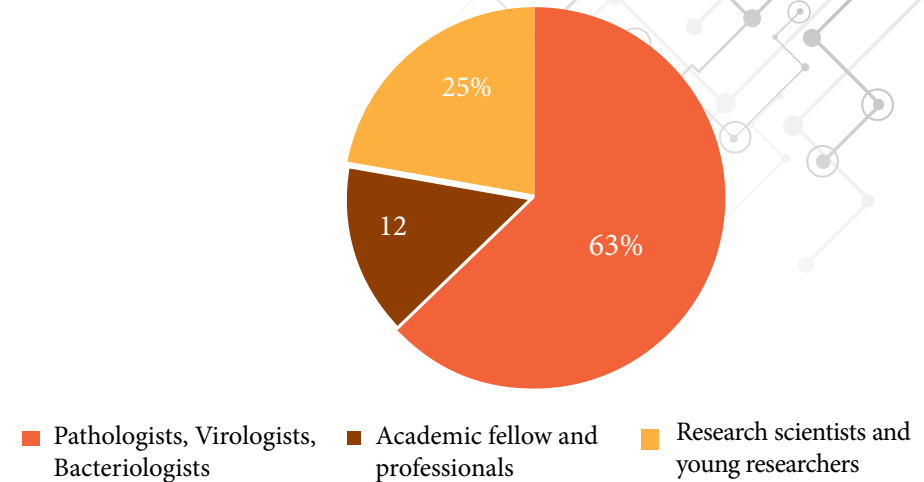

Exhibitors and sponsors have the opportunity for face-to-face networking with leading scientists and clinicians, increase brand awareness, and develop collaborations with an international audience.

In 2017-2018, the top ten countries represented by our delegates were: United States, United Kingdom, Germany, Netherlands, Belgium, Sweden, Canada, France, Switzerland, Japan and Spain.
