## Accommodation

A large number of rooms have been reserved. Discounted room rates for Recycling Summit 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

## Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Recycling and Waste Management.

## About Singapore

SINGAPORE, popularly known as “the LION city” , is a worldwide city and is densely populated island with tropical vegetation. Singapore is a worldwide trade and transport center point.

Singapore is considered as an imperative place for advanced education and harbors, and also consists of well renowned schools and Universities. Singapore summit surely assume a fundamental part in advancing logical data and thoughts everywhere throughout the world. It can be considered as an appropriate medium for the exchange of profitable learning about research and novel progression around the world. The conferences partaking here would progressed as an assortment of logical thoughts among contenders coming from a place with different arena of science and innovation.

Apart from this, Singapore has been put aside for parks and natural reserves. The web of natural stores, parks, park connectors, common ways, tree-lined streets and other natural areas have upgraded the feeling of green space in the city which will keep you occupied for a considerable length of time. Singapore has a tropical rainforest atmosphere, uniform temperature, weight, high dampness and bounteous rainfall. Sentosa, Singapore Flyer, Universal Studios Singapore, Night Safari Singapore, Singapore Botanic Gardens, Jurong Bird Park, Singapore Zoo, Sri Mariamman Temple, Pulau Hantu well known for its rich coral reefs and Peranakan Museum are a portion of the purposes of enthusiasm for Singapore. A wonderful area, future, personal satisfaction, individual wellbeing and lodging that is top notched that makes it reasonableness which ultimately makes Singapore a city to visit and recollect.
