An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Rheumatology.

**About Sydney, Australia**
Sydney is the state capital of New South Wales and the most populous city in Australia and Oceania located on Australia’s east coast, the metropolis surrounds the world’s largest natural harbour and sprawls about 70 km (43.5 mi) on its periphery towards the Blue Mountains to the west, Hawkesbury to the north and Macarthur to the south. Sydney is made up of 658 suburbs, 40 local government areas and 15 contiguous regions. Sydney is amongst the top fifteen most-visited cities in the world, with millions of tourists coming each year to see the city’s landmarks. Its natural features include Sydney Harbour, the Royal National Park, and the Royal Botanic Garden. Man-made attractions such as Sydney Tower, the Sydney Harbour Bridge, and the Sydney Opera House, are also well known to international visitors. Kingsford-Smith Airport is the main airport serving the metropolitan area, one of the world’s oldest continually operating airports. The Central station is the main hub of the city’s rail network. The major City attractions are Sydney Opera House, Sydney Harbour Bridge, Bondi Beach, Taronga Zoo Sydney and Darling Harbour. Sydney itself offers a mix of tours, attractions and events that allows visitors to discover this city. Surrounding the city is a wonderland of national parks, forests, mountains, river valleys and historic riverside towns.
