**SMART MATERIALS AND
NANOTECHNOLOGY**

December 15-16, 2021 | Webinar

Theme: *"Visionary Challenge for Current Tech Generations"*

DEAR PROSPECTIVE SPONSOR/EXHIBITOR

GREETINGS FROM SMART MATERIALS 2021!

We would like to invite you to become a sponsor/ Exhibitor at the "CPD Accredited **8th Global Conference of Smart Materials and Nano Technology**" to be held on **December 15-16, 2021 webinar**.

Smart Materials 2021 is a unique opportunity for your organization to connect with up to 250 leading healthcare professionals who work in a variety of academics, research, industry, government and private sectors.

The Organizing Committee is diligently working on bringing the most knowledgeable researchers from all over the world, as well as leaders in the industry to explore the recent happenings in Smart Materials and Nanotechnology through an energizing and informative program of speakers, and facilitating networking and business opportunities for sponsors through an interactive exhibition and a dynamic program of social events.

This high-profile event would be a great chance to present your company among the most representative group of people so don't miss this opportunity to enhance your brand and demonstrate your leadership at Smart materials and Nanotechnology.

Sponsors and exhibitors will receive acknowledgement prior to, during and after the conference through conference materials and the website, and enjoy significant contact with delegates during the exhibition and social events.

We offer a wide range of sponsorship opportunities to suit your needs. We encourage you to review the enclosed details and respond quickly, as we expect to sell out.

We look forward to your participation in this premier industry event, and welcoming you to **Webinar** in **December 2021**.

Sincerely,

On behalf of Organizing Committee.

SCOPE AND TOPICS

The scope of the conference covers all the research arenas in Smart Materials and Nanotechnology research happening around the world. The latest achievements of Smart Materials and Nanotechnology and research will be presented and thoroughly discussed through a series of Key Notes, Plenary talks, Workshops, Symposiums and Poster Sessions. A broad spectrum of research and innovation activities will range from basic research to application-oriented multidisciplinary tracks and sub tracks will be addressed at the Smart Materials and Nanotechnology 2021.
