Conference Series welcomes you to attend the 36\textsuperscript{th} Global Conference on Materials Science and Nanotechnology, which is going to be held in Rome, Italy during November 18-19, 2019.

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Materials Science and Nanotechnology.

Smart Materials Expo 2019 anticipates more than 200 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

The main theme of the conference is “\textit{Future Enhancement and Innovative Approaches in Materials science and Nanotechnology?}”.

Regards,

\textit{Smart Materials Expo 2019}

Smart Materials Expo 2019 regards each one of the individuals to go to the “36th Global Conference on Materials Science and Nanotechnology” amidst November 18-19, 2019 at Rome, Italy which melds brief keynote presentations, speaker talks, Exhibition, Symposia, Workshops, Speaker sessions. Smart Materials Expo 2019 will join world-class professors, scientists, researchers, students, Deans, Professors, Researchers and Academicians to discuss in the fields of Materials Science, Nanotechnology. The assembling of this event will be dealt with around the subject “Future Enhancement and Innovative Approaches in Materials science and Nanotechnology”.

Smart Materials Expo 2019

- Opportunity to attend the presentations delivered by eminent scientists from all over the world
- Selected contributions will be published in following Conference Series Journals
  - Journal of Material Sciences & Engineering
  - Journal of Powder Metallurgy & Mining
  - Journal of Nanomedicine & Nanotechnology
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Global networking: In transferring and exchanging Ideas
- Share your excitement in promoting your skills in the field of designing
- Conference brings together Scientific Researchers, Business Entrepreneurs and Industry Developers
About Us

International Journals
- 900 Open Access Journals
- 21 Day rapid review process
- 30000 Editorial team, 35000 Reviewers team
- 3.5 Million readers and high visibility
- More than 100,000
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features
- User friendly/feasible website translation of your paper to 50 world’s leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conference Series Conferences
- 1000 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features
- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions

Rome, Italy’s capital is a sprawling, cosmopolitan city with nearly 3,000 years of globally influential art, architecture and culture on display. Ancient ruins such as the Forum and the Colosseum evoke the power of the former Roman Empire. Vatican City, headquarters of the Roman Catholic Church, has St. Peter’s Basilica and the Vatican Museums, which house masterpieces such as Michelangelo’s Sistine Chapel frescoes. Rome was called the “Eternal City” by the ancient Romans because they believed that no matter what happened in the rest of the world, the city of Rome would always remain standing. Exploring the city centre by foot surrounded by glorious monuments and colossal remains takes you back in time to the “glory that was Rome”.
