A large number of rooms have been reserved. Discounted room rates for Smart Energy Congress participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

### Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Smart grids, Solar Power and Renewable Energies.

### About Sydney

Sydney is the state capital of New South Wales and the most populous city in Australia. Sydney is one of the Australia's largest cities which is best known for its harbourfront Sydney Opera House, with a distinctive sail-like design. Sydney is one of the world's most vibrant cities, and is also a gateway to the rest of Australia. Sydney's largest ancestry groups are English, Australian, Irish, Chinese and Scottish Foreign countries of birth with the greatest representation. The population of Sydney is now highly educated. Tourism in Sydney, Australia forms an important part of the city's economy. The most famous attractions include the Sydney Opera House, and the Sydney Harbour Bridge. Other attractions include the Sydney Mardi Gras, Royal Botanical Gardens, Luna Park, the beaches and Sydney Tower. Port Jackson is the natural harbour of Sydney. It is known for its spectacular natural beauty, and in particular as the location of the Sydney Opera House and Sydney Harbour Bridge.
