Accommodation

A large number of rooms have been reserved. Discounted room rates for Spine Conference 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of spine and spinal disorders.

About Osaka

Japan is a cultural Galápagos, where a unique civilization blossomed, and today thrives in contrasts of traditional and modern spirits of strong, warm and incredibly welcoming leading the nation in scientific research, particularly in technology, machinery and biomedical research. Japan leads the world in robotics production and use. Spine Conferences Japan, going to be held this time in Osaka which is situated in subtropical atmosphere zone with four particular seasons. Osaka is the second largest metropolitan area in Japan and serves a major economic hub. Historically a merchant city, Osaka has also been known as the “Nation’s Kitchen”. With a population of 2.5 million, Osaka is Japan’s third largest and second most important city. It has been the economic powerhouse of the Kansai region for many centuries which you may enjoy by attending Top Spine Conferences. The city’s west side has the main port as well as a tourist destination with attractions such as Kyocera Dome, Universal Studios Japan, Osaka aquarium, Minami, Osaka castle, Umeda sky building and the Tempozan Harbour Village.
