### Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes 
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

### Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

### Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

### Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

**Special Issues:** All accepted abstracts will be published in respective Conference Series llc LTD Journals

Each abstract will be provided with digital Object Identifier by

**B2B Meetings**

STD-AIDS Congress 2019 Conference website is attracting 25000+ Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, Physics Societies and the people Associated, Nobel laureates in Professionals, Neuroscience Professionals, Respiratory device companies, Lung Laboratories and Technicians, Research Institutes and members, Supply Chain companies, Manufacturing Companies, Training Institutes, Business Entrepreneurs. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

### STD-AIDS Congress 2019 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

### How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

### Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Biologics and Biosimilars Congress, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

## Objectives

After participating in this meeting, attendees should be able to

Discuss emerging issues in Neuroscience divisions

Discuss and apply recent research findings related to Neuroscience divisions

Reflect on the place of critical distance in Neuroscience divisions

## Who should attend?

Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, Physics Societies and the people Associated, Nobel laureates in Respiratory and pulmonary divisions, pulmonology Professionals, Respiratory Professionals, Lung Laboratories and Technicians , Research Institutes and members, Supply Chain companies, Manufacturing Companies, Training Institutes, Business Entrepreneurs.

## About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

## Conference Highlights

- Types of STDs and Infectious Diseases
- Std and HIV Infection
- Epidemiology of STD-AIDS and Infectious Diseases
- Infectious Diseases
- Causes and Symptoms of Infectious Diseases
- Neuro Infectious Diseases
- Pediatric Infectious Diseases
- Food Borne and Water Borne Illnesses
- Malaria
- Clinical Studies and Case Reports
- Diagnosis of Infectious Diseases
- Treatment for Infectious Diseases
- Infectious Diseases Prevention, Control and Cure
- Antimicrobials/ Antibiotics/ Antibacterial
- Vaccines and Vaccination
- Infectious Disease Vaccines
- Global Trends in Emerging Infectious Diseases

Wellington is the capital city and second swarmed urban area of New Zealand. Wellington is New Zealand's political core interest. It has the parliament, the head work environments of all Government Ministries and Departments. Wellington is moreover the social point of convergence of New Zealand. Of urban networks in the Asia Pacific area, it is situated third (2014) behind Auckland and Sydney. Wellington's beautiful ordinary harbor and green slants decorated with layered country territories of traveler bequests are noticeable with tourists. the city has an abundance of amusement and unwinding openings. It is in like manner a limited city with a thrilling scene and sound structure. There are various parks, gardens, eminent houses, presentation lobbies and distinctive spots of energy for and around Wellington, New Zealand. Conspicuous attractions in Wellington consolidate the Te Papa Museum, Wellington Cable Car, Kapiti Island Nature Reserve and the Wellington Zoo. The central city region of Wellington is the place to see performing articulations, particularly cunning move, theater and melodic shows. Off the float is the staggeringly well-known feathered animal refuge Kapiti Island. The warm environment and released up lifestyle of this zone have delivered an indulgent style of country life.
