

# 14th Annual Conference on Stem Cells and Regenerative Medicine

May 17, 2022

Amsterdam, Netherlands

**14th Annual Conference on  
Stem Cells and Regenerative Medicine**

**17th May 2022**

**Session Introduction**

|                       |  |
|-----------------------|--|
| 9:00-09:30 AM         | <b>Title:</b> Cell technologies in the treatment of patients with postcovid syndrome   |
|                       | <b>Maxim Yu. Rykov</b> , Tver State Medical University, Russia   |
| 09:30-10:00 AM        | <b>Title:</b> Directed differentiation of human dental pulp stem cells into mature cholinergic neuron using cerebrospinal fluid: mimicking stem cell niches  |
|                       | <b>Hatef Ghasemi Hamidabadi</b> , Mazandaran University of Medical Sciences, Iran  |
| 10:00-10:30 AM        | <b>Title:</b> Regenerative medicine in orthopaedics and traumatology   |
|                       | <b>Gennadii Bondariev</b> , Institute of traumatology and orthopedics NAMS of Ukraine, Ukraine   |
| 10:30-11:00 AM        | <b>Title:</b> Inhibiting the expression of anti-apoptotic genes BCL2L1 and MCL1, and apoptosis induction in glioblastoma cells by microRNA-342   |
|                       | <b>Shokoofeh Ghaemia</b> , University of Tehran, Iran  |
| 11:00-11:30 AM        | <b>Title:</b> Stem cell therapy in radiotherapy from bench to clinical trial evaluating the efficacy of mesenchymal stromal cell injections for the treatment of chronic pelvic complications induced by radiation therapy |
|                       | <b>A Chapel</b> , Institute of Radiological Protection and Nuclear Safety, France  |
| 11:30-12:00 PM        | <b>Title:</b> Pathogenic $\alpha$ -synuclein cell-to-cell transmission mechanism and related therapeutic development   |
|                       | <b>Xiaobo Mao</b> , Johns Hopkins University School of Medicine, USA   |
| <b>Conference End</b> |  |
