Psychology, Psychotherapy and Mental Wellness
28th Euro Congress and Expo on **Dental & Oral Health**

21 August | 2020

A webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.
