## Accommodation

A large number of rooms have been reserved. Discounted room rates for Surgery Asia Pacific 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

## Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Surgery and Anaesthesia.

## About Singapore

Singapore, an island city-state off southern Malaysia, is a global financial center with a tropical climate and multicultural population. It has been Southeast Asia's most modern city for over a century.

As of 2015 there are 7 public hospitals, 9 national speciality centres, 10 private hospitals, and private community hospitals are located. Singaporean hospitals are equipped with advanced medical technology and are able to offer edge treatments with outcomes comparable to renowned institutions worldwide. Singapore is ranked as one of the world's top destinations for plastic surgery. The IMD World Competitiveness Yearbook ranked Singapore's Health Infrastructure 3rd out of 55 countries.
