Venue

Brisbane, Australia

Important Dates

Abstract submission opens: September 24, 2018

Registration opens: September 24, 2018

Early bird registration: October 29, 2018

On spot registration: November 14, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Surgery Asia Pacific 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Surgery and Anesthesia.

About Brisbane, Australia

Brisbane the 3rd largest city in Australia with a population of around of 1.6 million in the greater metropolitan area. Brisbane is a river city making full use of its enviable environment. And there is so much to explore. A day in Brisbane might include international standard shopping in the Queen Street Mall; a swim, rainforest walk and lunch at South Bank Parklands; feeding dolphins at Tangalooma, then in the evening dine in world class restaurants and finish with a late-night river cruise. Brisbane experiencing extensive economic, population and cultural growth has become a multi-faceted and multi-cultural city perfect for business travel. As the gateway to Australia's most popular tourist attraction, the Great Barrier Reef, Brisbane has excellent transportation links, with the non-curfew international airport just a 20-minute drive from both the central business district, Brisbane Convention and Exhibition Centre, and Royal International Convention Centre – Brisbane. Brisbane residents have excellent access to healthcare in both public and private sectors, covering hospitals, general practitioners, dentists and other allied healthcare professionals. There are numerous public and private hospitals including the Princess Alexandra Hospital, the Mater Hospital network, The Lady Cilento Children's Hospital and the Royal Brisbane & Women's. Urgent and emergency medical care is readily available to everyone.
