# Welcome Message

Dear Colleagues,

Conference Series extends its welcome to 14th International Conference on Surgery During May 29-30, 2023 at Vancouver, Canada with the theme “Enrichment of Recent research in Surgery and Surgical Advancements”. Conference Series through its Open Access Initiative is committed to make genuine and reliable contributions to the Gynecology community.

Conference Series Organizes 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 100000 eminent personalities, reputed scientists as editorial board members.

Surgery Congress 2023 Conference will focus on educational research directed toward its impact on Gynecology outcomes, through oral and poster presentations, educational workshop sessions, and influential plenary presentations. Surgery Congress 2023 is a perfect platform to find out how Infertility research innovations are helpful in the treatment of various Reproductive Health Issues. Conference will focus on the following topics during presentations of the two-day event, which reflect current education, research, developments and innovations internationally in the field of Surgery.

## Conference Highlights

- Surgery and its Specialties
- Ocular Surgery
- Otorhinolaryngology Surgery
- Aesthetic medicine and Plastic surgery
- Endocrine Surgery
- Cardiothoracic Surgery
- Transplantation Surgery
- Urology Surgery
- Neurosurgery
- Orthopedic Surgery
- Bariatric surgery
- Acute Care Surgery
- Perioperative care
- Obstetric and gynecologic surgery

# Who Should Attend?

This activity has been designed to meet the educational needs of Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, gynaecologists, Infertility specialist, Endocrinologists, Surgery specialist, Embryologist, Physicians, Nurses, Reproductive Health experts, Students, Gynecology Associations and Societies, Surgery Faculty, Business Entrepreneurs, Manufacturing Medical Devices Companies, Research Institutes and members, Supply Chain companies, Manufacturing Companies, Training Institutes, Business Entrepreneurs are encouraged to attend.

## Abstract Information: Oral / Poster Presentation Guidelines

Oral Presentations are generally split into TWO categories, as follows:

### 1. Plenary Lectures

- Each Plenary lecture is 25 minutes in length and comprises one presentation. We recommend you plan to present for approximately 20 minutes with 5 minutes for questions/discussion.
- Where Plenary Lectures are presented as debates, each of two speakers should plan to present for 20 minutes, allowing five minutes for closing questions and conclusions. We recommend that invited speakers communicate in advance of the Moderator so that presentations may be coordinated.

### 2. Oral Sessions

- Each Oral Session is 60 minutes in length and comprises two presentations, of 30 minutes each. We recommend that you plan to present for approximately 15 minutes, allowing time for questions/ discussion at the end of the presentation.
- Please prepare you presentation in 16:9 format (screen are in format 16:9). We recommend you to save your PowerPoint presentation using PPT(X) format instead of PPS.
- A technician is available in every session room to provide assistance when needed. Due to the online presentation system, all speakers are kindly requested to use provided PC onsite. Please be present in the session room 15 minutes prior the start of your session and follow the instructions from the Chairs and/or technician.
- During your presentation a remote control will be available for controlling your presentation. Please observe the time allotted to you as you will not be permitted to speak for longer time.
- At the end of the Congress, all presentations will be deleted from the presentation system and computers on-site.

### Speaker Preview Room

All speakers are asked to upload their presentation at the Speaker Preview Room (located in the Registration area) at least one hour before the beginning of the session or the day before in case of a morning session.

# Poster Guidelines

- The poster exhibition will be an integral part of Surgery Congress 2023 .
- The poster exhibition will be located on the exhibition area of the congress center. The area will be clearly signposted from the registration area.

## Technical Instructions:

- Posters must be prepared in Portrait style.
- Please DO NOT prepare a landscape poster
- The dimensions should be 100 cm high by 70 cm wide
- Posters should be attached to the boards with stickers, which you will be supplied to the organizers.
- Poster session schedule Posters will be displayed and presented in session.

Please plan to be at your poster and available to answer questions from delegates at the time of your assigned poster session. Posters will be displayed according to the POSTER numbers given by the organizers and will be grouped by sub topic.

# Young Researchers Forum

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Young Researcher Sessions are organized at the Surgery Congress 2020, to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. Participants should be below the age of 33 years. All submissions must be in English.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

# Registration Information

## How to Register

**Website:** <https://surgerycongress.conferenceseries.com//registration.php>

## Registration Fees

- Early Registration Fee: **\$480.00**
- Regular Registration Fee: **\$578.00**
- Late Registration Fee: **\$610.00**
- Group Discount: Register three or more attendees and receive **\$50.00 off** per person
- Student Registration: **200\$**
- Young Researchers Forum Fee: **399\$**

## Cancellation Policy

Cancellations must be received in writing 60 days prior to the meeting and are subject to a \$100 processing fee. Refunds will not be granted after **April 05, 2023**, nor will they be given for no-shows. Please email cancellations to [surgery@asiaconvention.com](mailto:surgery@asiaconvention.com)

## Accommodations

### Vancouver, Canada

To make reservations and ensure that you will have a hotel room at the same location as the conference, please choose your package and register at <https://surgerycongress.conferenceseries.com//registration.php>

## Payments

We accept Visa, MasterCard, American Express and checks. If paying by credit card, please utilize our online registration site located at <https://surgerycongress.conferenceseries.com//registration.php>

If you wish to pay by check, please contact [surgery@globalconferences.net](mailto:surgery@globalconferences.net); [surgery@asiaconvention.com](mailto:surgery@asiaconvention.com)

# Tentative Agenda

Day 1 May 29, 2023   Monday	
Time	Session
08:30-09:30	Registrations
09:30-11:00	Keynote Forum
Group Photo	
11:00-11:15	Network & Refreshments Break
11:15-13:00	Surgery and its Specialties   Otorhinolaryngology Surgery
13:00-13:45	Lunch Break
13:45-16:00	Endocrine Surgery   Transplantation Surgery
16:00-16:15	Network & Refreshments Break
16:15-17:15	Neurosurgery   Bariatric surgery
17:15-18:00	YRF

Day 2 May 30, 2023   Tuesday	
Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
11:30-11:45	Network & Refreshments Break
11:45-13:00	Perioperative care   Ocular Surgery   Aesthetic medicine and Plastic surgery   Cardiothoracic Surgery
13:00-13:45	Lunch Break
13:45-15:00	Urology Surgery   Orthopedic Surgery
15:00-15:15	Network & Refreshments Break
15:15-16:30	Acute Care Surgery   Obstetric and gynecologic surgery
16:30-17:30	YRF
17:30-18:30	Poster Presentations

# *Tourist Attractions*

# Venue

Canada is a country in North America. It is the world's longest national land border. Canada's capital is Ottawa, and its three largest metropolitan areas are Toronto, Montreal, and Vancouver. Indigenous peoples have continuously inhabited what is now Canada for thousands of years. Beginning in the 16th century, British and French expeditions explored and later settled along the Atlantic coast. As a consequence of various armed conflicts, France ceded nearly all of its colonies in North America in 1763. In 1867, with the union of three British North American colonies through Confederation, Canada was formed as a federal dominion of four provinces. This began an accretion of provinces and territories and a process of increasing autonomy from the United Kingdom. This widening autonomy was highlighted by the Statute of Westminster 1931 and culminated in the Canada Act 1982, which severed the vestiges of legal dependence on the Parliament of the United Kingdom.

Canada is a parliamentary democracy and a constitutional monarchy in the Westminster tradition. The country's head of government is the prime minister, who holds office by virtue of their ability to command the confidence of the elected House of Commons, and is appointed by the governor general, representing the monarch of Canada, the head of state. The country is a Commonwealth realm and is officially bilingual (English and French) at the federal level. It ranks among the highest in international measurements of government transparency, civil liberties, quality of life, economic freedom, education, gender equality and environmental sustainability. It is one of the world's most ethnically diverse and multicultural nations, the product of large-scale immigration. Canada's long and complex relationship with the United States has had a significant impact on its economy and culture.

Venue:

Vancouver, Canada
