ABOUT VENUE

Singapore formally the Republic of Singapore, is a sovereign island city-state in Southeast Asia. It lies off the southern tip of the Malay Peninsula and is 137 kilometers (85 m) north of the equator. There are also several famous attractions within the city-state, especially Gardens by the Bay, Sentosa Island, Jewel Changi Airport, Marina Bay Sands, Orchard Road, and the Singapore Zoo, which was graded the best zoo in Asia.

During the Second World War, Singapore was occupied by Japan, Singapore achieved independence from the British Empire in 1963, by joining Malaysia along with Sabah and Sarawak. Singapore is a highly expanded country and is graded 9th on the UN Human Development Index, With the 2nd highest GDP per capita in the world the highest in Asia for a sovereign state.

In the 1960s, the city-state of Singapore was an underdeveloped country with a GDP per capita of less than U.S. \$320. Today, it is one of the world's rapid-growing economies. Singapore's economic is nothing short of remarkable. By enclosing globalization, education, and rational policies, free-market capitalism it has been able to overcome its geographic disadvantages and become a leader in global commerce.

The Port of Singapore is now the world's busiest transshipment port, outstanding Hong Kong and Rotterdam. It has become the world's second busiest in words of total cargo tonnage handled.

Banking has grown notably in recent years and many assets formerly held in Switzerland have been moved to Singapore due to new taxes forced by the Swiss. The biotech industry is proliferating, with drug makers such as GlaxoSmithKline, Pfizer, and Merck & Co.
