Hanoi, the capital of Vietnam, is known for its centuries-old architecture and a rich culture with Southeast Asian, Chinese and French influences. At its heart is the chaotic Old Quarter, where the narrow streets are roughly arranged by trade. There are many little temples, including Bach Ma, honoring a legendary horse, plus dong Xuan Market, selling household goods and street food.

Top Tourist Attractions in Vietnam:

Hạ Long Bay: Halong Bay is a beautiful natural wonder in northern Vietnam near the Chinese border. The Bay is dotted with 1,600 limestone islands and islets and covers an area of over 1,500 sq km. This extraordinary area was declared a UNESCO World Heritage Site in 1994. For many tourists, this place is like something right out of a movie. The fact is that Halong Bay features a wide range of biodiversity, while the surrealistic scenery has indeed featured in endless movies.

The best way to get to Halong City is by car, minibus or bus from Hanoi which is only 170km away. If budget is not a problem, an hour-long helicopter transfer is also available.
