Surgical Pathology 2019

International Conference on

SURGICAL PATHOLOGY

July 31-August 01, 2019 | Amsterdam, Netherlands

09:30-10:30	Registrations					
Hall						
10:30-11:00	Opening Ceremony					
11:00-11:10	Introduction					
	Keynote Session					
11:10-11:45	HER-2 immunohistochemical expression in bone sarcomas: a new hope for					
	osteosarcoma patients					
	Yasmine Fathy El-Esawy, Cairo University, Egypt. Coffee Break 11:45-12:05					
12:05-12:40	Assesment of PD-L1 Expression as a Diagnostic tool for treatment of Patients					
12.05-12.40	With Non-Small Cell Lung Carcinoma Using Pembrolizumab from 2015 to 2017					
	With 1801-5man Cen Lung Caremonia Osing Tempronzuman from 2013 to 2017					
	Hyacinth Joy Balderama, Philippines					
12:40-01:10	Recurrence of a complex anterior skull base tumour managed with an					
12010 01010	uncommon surgical approach and 3d printing: A case report					
	Muhammad Ibaad ur Rehman Alvi, Manchester Foundation Trust, UK					
	Lunch Break 01:10-02:00					
Gerneral Sess	ic Surgical Pathology Digital Pathology Breast Pathology Head and Neck					
	Pathology Pulmonology Pathology Gastriintestinnal and Liver Pathology					
	Bone Patholgy					
02:00-02:30						
	Nosocomial Infections in Patients Admitted in Medical Intensive Care Units In a					
	Tertiary Health Centre In Western Part of India and their Hematological					
	Tertiary Health Centre In Western Part of India and their Hematological Correlation					
	Tertiary Health Centre In Western Part of India and their Hematological					
	Tertiary Health Centre In Western Part of India and their Hematological Correlation Nidhi Bansal , India					
02:30-03:00	Tertiary Health Centre In Western Part of India and their Hematological Correlation Nidhi Bansal , India Spectrum of Histopathological Lesions of the Oral cavity in a Tertiary Care					
02:30-03:00	Tertiary Health Centre In Western Part of India and their Hematological Correlation Nidhi Bansal , India Spectrum of Histopathological Lesions of the Oral cavity in a Tertiary Care Hospital in Malwa Belt with Special Emphasis to Oral Squamous Cell					
02:30-03:00	Tertiary Health Centre In Western Part of India and their Hematological Correlation Nidhi Bansal , India Spectrum of Histopathological Lesions of the Oral cavity in a Tertiary Care Hospital in Malwa Belt with Special Emphasis to Oral Squamous Cell Carcinoma					
02:30-03:00	Tertiary Health Centre In Western Part of India and their Hematological Correlation Nidhi Bansal , India Spectrum of Histopathological Lesions of the Oral cavity in a Tertiary Care Hospital in Malwa Belt with Special Emphasis to Oral Squamous Cell					
	Tertiary Health Centre In Western Part of India and their Hematological Correlation Nidhi Bansal , India Spectrum of Histopathological Lesions of the Oral cavity in a Tertiary Care Hospital in Malwa Belt with Special Emphasis to Oral Squamous Cell Carcinoma Arnav Roy Choudhury, India
