About Tokyo

Tokyo, Japan's bustling capital, blends the ultramodern and the customary, from neon-lit high rises to noteworthy sanctuaries. The rich Meiji Shinto Shrine is known for its transcending door and encompassing woods. The Imperial Palace sits in the midst of enormous open nurseries. The city's numerous historical centres offer shows going from old style workmanship (in the Tokyo National Museum) to a recreated kabuki theatre (in the Edo-Tokyo Museum).

Tokyo Metropolitan Government Building, Akihabara, Tokyo Imperial Palace, Tokyo Tower, Shibuya Pedestrian Crossing, Shinjuku Gyoen National Garden, Meiji Shrine Ueno Park
