University of Toronto, Canada

Joseph Rosenthal

City of Hope National Medical Center
Duarte, California, USA

Mingtao Zeng

Texas Tech University Health Sciences

Dr. Carlo Melloni

Center for genital reconstructive and
aesthetic surgery, Palermo, Italy

Daniel R. Neuspiel

Pediatrics Carolinas HealthCare System,
USA

Katia Pauwels

Institute of Public Health Brussels, Belgium.

Program Announcement

12+ Interactive Sessions

Venue

Sydney, Australia

Important Dates

Abstract submission opens: November 05, 2018

Registration opens: November 05, 2018

Early bird registration: April 30, 2019

On spot registration: July 14, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Transplantation Science 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Organ Donation and Transplantation Science.

About Sydney

Sydney, the capital of New South Wales, Australia is known as the Harbor City. It's the largest, city with a population of around 4 million. It has an enviable reputation as one of the world's most beautiful and lies amid a seductive intermingling of land and sea. Sydney is a major global city and one of the most important cities for finance in the Asia-Pacific. Sydney is built around a huge harbor and hosts many tourist attractions as well as a number of beaches, bays and a couple of national parks. Brimming with history, nature, culture, art, fashion, cuisine, design, Sydney's set next to miles of ocean coastline and sandy surf beaches. Long-term immigration has led to the city's reputation as one of the most culturally and ethnically diverse cities in Australia and the world. The city is also home to the Sydney Opera House and the Sydney Harbor Bridge, two of the most iconic structures on this planet. Sydney's 4,757,083 residents sprawl over an area of more than 12,350km². Sydney was the site of the first British colony in Australia, which was set up in 1788. The general area classified under Sydney is actually broken up into 38 separate governmental districts over an area of around 1687 square kilometers. Sydney was originally going to be named "Albion", but its founder, Arthur Phillip, changed the name in recognition of Thomas Townshend Lord Sydney's efforts in authorizing the colony's establishment. Sydney annually ranks among worldwide Top Ten Most Liveable Cities lists.
