About the conference

We are thrilled to announce the eagerly awaited 12th International Congress on Trauma, Critical Care, and Emergency Medicine, scheduled to take place on August 27-28, 2026, in the vibrant city of Paris, France.

This prestigious biennial event brings together renowned experts, practitioners, and researchers from around the globe to exchange knowledge and insights on the latest advancements and best practices in trauma, critical care, and emergency medicine. The congress aims to foster collaboration and networking opportunities among professionals in these vital fields.

Throughout the two-day conference, attendees will have the chance to attend keynote speeches, plenary sessions, and interactive workshops, covering a wide array of topics such as pre-hospital care, acute trauma management, intensive care advancements, disaster preparedness, and much more.

Why to attend the conference

Discover groundbreaking insights and advancements in trauma, critical care, and emergency medicine at the 10th International Congress. Engage with leading experts, exchange knowledge, and enhance your clinical skills in Paris, France on August 27-28, 2026. This dynamic event offers a unique platform to learn about cutting-edge treatments, innovative techniques, and interdisciplinary approaches. Elevate your practice, expand your professional network, and gain a competitive edge in patient care. Join us to shape the future of healthcare and make lasting connections with peers from around the world. Don't miss this unparalleled opportunity to be at the forefront of medical excellence.
