2243rd Conference

October 2018 | Volume 9 | ISSN: 2157-7560

Journal of Vaccines & Vaccination

Proceedings of

30th World Congress on

VACCINES & IMMUNIZATION

October 22-23, 2018 Osaka, Japan

CONFERENCE SERIES LLC LTD

47 Churchfield Road, London, W3 6AY, UK

Contact: 1-650-889-4686

Email: vaccines@worldmeet.net

Day 1 October 22 , 2018

09:00-09.30 Registrations

Momoyama

conferenceseries.com

09:30-10:00

Opening Ceremony

Keynote Forum

10:00-11:00

Title: How a phage lysis protein transformed *Vibrio cholerae* into a vaccine delivery platform

Francis.O.Eko, Morehouse School of Medicine, USA

Group Photo

Networking and Refreshments Break: 11:00-11:20 @Foyer

Sessions:

Vaccines and Immunization | Children Vaccine | Cancer Vaccine | DNA Vaccines

Session Introduction

Session Chair: Rohit Agrawal, Chandra Jyoti Hospital, India

11:20-11:50

Title: Efficacy and immunogenicity of a miRNA vaccine construct against Enterovirus 71

Isabel Yee Pinn Tsin, Sunway University, Malaysia

11:50-12:20

Title: Proposal of artificial pandemic by infectious attenuated vaccine for reducing victims by wild type influenza pandemic

Yoshinori Hayakawa, Toin University of Yokohama, Japan

12:20-12:50

Title: Skin thickness measurements and proof of concept using HepB vaccine as key drivers in the development path of VAX-ID™, an intradermal injection device platform for both children and adults

Timothi Van Mulder, Novosanis, Belgium

Lunch Break: 12:50-13:50 @Teppanyaki restaurant

13:50-14:20

Title: Diseases of goats and sheep presenting with respiratory signs: Limited biosecurity leaves vaccination as the best option for diseases control in developing countries

Andrew Chota, Nelson Mandela African Institute of Science and Technology, Tanzania

14:20-14:50

Title: Typhoid disease and Vaccines Indian perspective

Rohit Agrawal, Chandra Jyoti Hospital, India

14:50-15:20

Title: Avian meta-pneumo virus subgroup C attenuates the immune system of SPF chickens and enhances the susceptibility to *Avibacterium paragallinarum*

Jun Chu, Beijing Academy of Agricultural and Forestry Sciences, China

15:20-15:50

Title: Combination of inactivated EBs, chitosan and VCG induces a better protection against avian *Chlamydia psittaci* infection

Li Qiang, China Agricultural University, China

Networking and Refreshments Break: 15:50-16:10 @Foyer

Poster Presentation @ 16:10- 16:30

WVC 1

Title: A survey on parent's attitude of vaccination and updated regulations for category II vaccines in Tianjin, China

Chen Wei, Tianjin Centers for Disease Control and Prevention, China

WVC 2

Title: A dengue transmission model: Consequences of vaccination in an endemic country

Israel Solano, National Institute of Public Health, Mexico

Workshop

16:30-17.30

Title: Vaccination Campaign in Jordan versus broken primary health care centers

Zeyad S. Bataineh, King Hussein Medical Center, Jordan

Panel Discussion

Vaccines Congress 2018

Day 2 October 23, 2018

Momoyama

Sessions:

Travel Immunization | Bacterial Vaccines | HIV/AIDS Vaccines | Geriatric Vaccines

10:00-10:30

Title: Structural basis for recognition of human Enterovirus 71 by a bivalent broadly neutralizing monoclonal antibody

Yao Cong, National Center for Protein Science Shanghai, China

10:30-11:00

Title: Vaccination against multiple diseases: Is this in the best interests of public health?

Judy Wilyman, University of Wollongong, Australia

Networking and Refreshments Break: 11:00-11:30 @Foyer

11:30-12:00

Title: Challenges of effective vaccination in developing countries: A case study of Nigeria

Joseph Okwori, National Veterinary Research Institute, Nigeria

12:00-12:30

Title: Role of antibodies in HIV vaccine: The lessons learned from HIV controllers

Christiane Moog, Inserm, France

Lunch Break: 12:30-13:30 @Teppanyaki restaurant

Awards & Closing Ceremony

Vaccines Congress 2018
