*Theme: "Integrated Approaches for
Promoting Health through Vitamins"*

<https://vitamins.nutritionalconference.com/>

Who Should Attend?

This activity has been designed to meet the educational needs of CEOs, CMOs, program administrators, Scientists, Academicians, Professors, Business delegates and students. Those who are currently involved in the Nutrition & Food Science individuals or exploring opportunities that provide a total wellness solution are encouraged to attend.

Abstract Information: Oral / Poster Presentation Guidelines

Oral Presentations are generally split into TWO categories, as follows:

1. Plenary Lectures

- Each Plenary lecture is 25 minutes in length and comprises one presentation. We recommend you plan to present for approximately 20 minutes with 5 minutes for questions/discussion.
- Where Plenary Lectures are presented as debates, each of two speakers should plan to present for 20 minutes, allowing five minutes for closing questions and conclusions. We recommend that invited speakers communicate in advance of the Moderator so that presentations may be coordinated.

2. Oral Sessions

• Each Oral Session is 60 minutes in length and comprises two presentations, of 30 minutes each. We recommend that you plan to present for approximately 15 minutes, allowing time for questions/ discussion at the end of the presentation. Please prepare your presentation in 16:9 format (screen are in format 16:9). We recommend you to save your PowerPoint presentation using PPT(X) format instead of PPS. A technician is available in every session room to provide assistance when needed. Due to the online presentation system, all speakers are kindly requested to use provided PC onsite. Please be present in the session room 15 minutes prior the start of your session and follow the instructions from the Chairs and/or technician. During your presentation a remote control will be available for controlling your presentation. Please observe the time allotted to you as you will not be permitted to speak for longer time. At the end of the Congress, all presentations will be deleted from the presentation system and computers on-site.

Speaker Preview Room

All speakers are asked to upload their presentation at the Speaker Preview Room (located in the Registration area) at least one hour before the beginning of the session or the day before in case of a morning session.

Poster Guidelines

The poster exhibition will be an integral part of Vitamins 2019. The poster exhibition will be located on the exhibition area of the congress centre. The area will be clearly signposted from the registration area.

Technical Instructions:

- Posters must be prepared in Portrait style.
- Please DO NOT prepare a landscape poster
- The dimensions should be 100 cm high by 70 cm wide
- Posters should be attached to the boards with stickers, which you will be supplied to the organizers.
- Poster session schedule Posters will be displayed and presented in session.

Please plan to be at your poster and available to answer questions from delegates at the time of your assigned poster session. Posters will be displayed according to the POSTER numbers given by the organizers and will be grouped by sub topic.

Young Researchers Forum

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Young Researcher Sessions are organized at the Vitamins 2019., to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. Participants should be below the age of 33 years. All submissions must be in English.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

Tourist Attractions

Venue

Bangkok certainly lives up to its reputation as a travel hot spot in Southeast Asia. The 'City of Angels' has funky markets, upmarket malls, a riverside full of surprises, a vibrant nightlife scene, many fabulous sights and attractions that reflect its unique heritage, and much more. Bangkok is a city of contrasts with action at every turn; marvel at the gleaming temples, catch a tuk tuk along the bustling Chinatown or take a longtail boat through floating markets. Food is another Bangkok highlight, from local dishes served at humble street stalls to haute cuisine at romantic rooftop restaurants. Bangkok is Thailand's national capital and the biggest city. Bangkok is monetary and social focus and has one of the Southeast Asia's most prominent ports and terminals. It is a standout amongst the most gainful rice developing districts in Asia. It additionally has number of sugar factories and material businesses. The vast majority of the exchange is done through port of Bangkok in Thailand. There are more than 400 Buddhist sanctuaries which are called as wats.
