## B2B Meetings

Dear Colleagues,

Conference Series llc LTD., is delighted to welcome you to Singapore for the Prestigious 3<sup>rd</sup> World Congress On Craniofacial Surgery. WCCS 2019 will focus on “Innovative Technologies in the field of Craniofacial Surgery”. We are confident that you will enjoy the Scientific Program of this upcoming Conference.

We look forward to see you at Singapore.

With Regards,  
**WCCS 2019**

Operating Committee, Conference Series llc LTD. Conferences

## Venue

Singapore

## Important Dates

Abstract Submission Opens: October 10, 2018

Registration Opens: October 10, 2018

Early Bird Registration: November 26, 2018

Mid Date Registration: December 24, 2018

On Spot Registration: January 28, 2019

## Accommodation

A large number of rooms have been reserved. Discounted room rates for WCCS 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

## Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Surgery and Medicine.

## About Singapore

Singapore, officially the Republic of Singapore, is a sovereign city-state and island country in Southeast Asia. It lies off the southern tip of the Malay Peninsula and is 137 kilometres (85 mi) north of the equator. The country's territory consists of the lozenge-shaped main island, commonly referred to as Singapore Island in English and Pulau Ujong in Malay, and more than 60 significantly smaller islets. Singapore is separated from Peninsular Malaysia by the Straits of Johor to the north and from Indonesia's Riau Islands by the Singapore Strait to the south. The country is highly urbanized, and little of the original vegetation remains. The country's territory has consistently expanded through land reclamation. Singapore's progress over the past three decades has been remarkable, yet the island has not been overwhelmed by development. Visitors will discover a wealth of historical treasures from the past, in the beauty of older buildings, values and traditions that have survived in the face of profound social and geographical change.
