Important Dates

Abstract submission opens: November 10, 2018

Registration opens: November 15, 2018

Early bird registration: December 15, 2018

On spot registration: January 30, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for Wirelesstech 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Cardiology and Medicine.

About Osaka

Osaka is the largest port city. It is the commercial center on Japanese island of Honshu and well known for its modern architecture, nightlife and hearty street food. Osaka Castle which has undergone several restorations is the main historical landmark. It is surrounded by a moat and park with plum, peach and cherry-blossom trees. Sumiyoshi-taisha is among Japan's oldest Shinto shrines.

Osaka is Japan's second largest metropolitan area next to Tokyo. It was the economic powerhouse of the Region Kansai for many centuries. Osaka was formerly known as Naniwa. The city's west side has a main port and also it is famous for tourist attractions such as Osaka castle, Universal Studios Japan, Minami, Osaka aquarium, Kyocera Dome, Umeda sky building and the Tempozan Harbour Village.
