Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Womens Health-2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Womens Health, Gynecology and Obstetrics.

About Sydney, Australia

Sydney is home to some of Australia's most noticeable Universities, and is likewise the site of Australia's first college, the University of Sydney, set up in 1850. There are five other public universities operating primarily in Sydney; Macquarie University, the University of New South Wales, the University of Technology, Sydney, the University of Western Sydney, and the Australian Catholic University. Other universities which operate secondary campuses in Sydney include the University of Notre Dame Australia, University of Wollongong and University of Newcastle.
