Venue & Hospitality

Abu Dhabi is a splendid emirate of the United Arab Emirates covering up to 80% of the country's landmass. It has conserved its traditional systems as it has a good regimented legal system. Abu Dhabi is the richest of all the emirates and holds about 10% of the world's known oil supply. According to population infographic studies about 43% of UAE's population live in Abu Dhabi ranging about 4.10 million. It has around 200 natural islands surrounding the emirate including the Saadiyat, Yas, Lulu and Sir Bani Yas islands which are astonishing seaside places to visit. Abu Dhabi also hosts some popular inland tourist destinations such as Sheikh Zayed Grand Mosque, Umm Al Emarat Park, Louvre Museum, Emirates Park Zoo, and Emirates Heritage Village. The Emirate has an efficient transportation system that includes Bus, Ferries, Metro, LRT and other modes of public transport which are inexpensive due to cheap petrol prices.
