12+ Interactive Sessions

Venue

Osaka, Japan

Important Dates

Early bird registration: November 11, 2018

On spot registration: March 25, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for World Neurology 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Aquaculture and Fisheries.

About Osaka, Japan

Osaka is situated in the subtropical atmosphere zone with four seasons. Its winters are by and large mellow, the blossom fields offer a wide assortment of blooms in the long stretch of March be that as it march, the locale is most popular for its lavender which draws in expansive quantities of guests each midyear, when the plants are in full sprout. Spring in Osaka begins off gentle, yet winds up being hot. More prominent Osaka has a broad system of railroad lines, Greater Tokyo. Osaka is served by two airplane terminals outside of the city, Kansai International Airport which handles basically worldwide traveler flights and Osaka International Airport which handles for the most part local administrations and some universal load flights.
