Program Announcement

Venue

Osaka, Japan

Important Dates

Abstract submission opens: July 18, 2018

Registration opens: July 23, 2018

Early bird registration: November 22, 2018

On spot registration: September 19, 2019

Registration closes: September 19, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for World Ophthalmology 2019 participants are pro-posed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Ophthalmology & Optometry.

About Osaka

Osaka is a large port city and commercial center on the Japanese island of Honshu. It's known for its modern architecture, nightlife and hearty street food. The 16th-century shogunate Osaka Castle, which has undergone several restorations, is its main historical landmark. It's surrounded by a moat and park with plum, peach and cherry-blossom trees. Sumiyoshi-taisha is among Japan's oldest Shinto shrines. Osaka has a large number of wholesalers and retail shops: 25,228 and 34,707 respectively in 2004, according to the city statistics.[56] Many of them are concentrated in the wards of Chuō (10,468 shops) and Kita (6,335 shops). Types of shops vary from malls to conventional shōtengai shopping arcades, built both above- and underground.[57] Shōtengai are seen across Japan, and Osaka has the longest one in the country.[58] The Tenjinbashi-suji arcade stretches from the road approaching the Tenmangū shrine and continues for 2.6 km (1.6 miles) going north to south. The stores along the arcade include commodities, clothing, and catering outlets.
