Venue

Hong Kong

Important Dates

Abstract submission opens: June 05, 2019

Registration opens: June 05, 2019

Early bird registration: June 30, 2019

On spot registration: October 21, 2019

Accommodation

A large number of rooms have been reserved. Discounted room rates for World Surgery 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Alternative and Traditional Medicine.

About Hong Kong

Hong Kong is an autonomous territory, in southeastern China. Its vibrant, densely populated urban centre is a major port and global financial hub with a skyscraper-studded skyline. Central features architectural landmarks like I.M. Pei's Bank of China Tower. Hong Kong is also a major shopping destination, famed for bespoke tailors and Temple Street Night Market. Hong Kong has the world's largest number of skyscrapers, with 317 towers taller than 150 metres (490 ft), and the third-largest number of high-rise buildings in the world. The lack of available space restricted development to high-density residential tenements and commercial complexes packed closely together on buildable land.
