Invitation...

Dear Colleagues,

Conference Series welcomes you to attend 25th International Conference on Psychiatric Disorders And Psychosomatic Medicine during July 20 - 21, 2018 at Sydney, Australia with the theme "Application of Psychosomatic Medicine to Achieve Mental and Physical Wellness". This international conference provides the perfect platform for the scientific community as an interactive and engaging 2-day event: unique in format, content, networking and engagement. Our goal is to bring together Psychiatrists, psychosomatic committees, Scientists, Rehabilitation Therapists, Clinicians, Care Specialists, students from all around the globe to discuss the future of the Consultation Liaison Psychiatry and Psychiatry in terms of collaboration, structures and organizational development and advances of Psychosomatic Medicine and Psychiatry disorders. During the conference, we assure you that you will experience world class facilities and hospitality at the conference.

Conference Series Organizes 1000+ Conferences Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 100000 eminent personalities, reputed scientists as editorial board members. Psychosomatic Medicine Congress 2018 Conference will focus on educational research directed toward its impact on clinical outcomes, through oral and poster presentations, educational workshop sessions, and influential plenary presentations. Attendees will be provided with the tools to enhance programs to make education more effective in Psychosomatic Medicine and Psychiatric Disorders. The following points have been discussed during presentations of the two-day event, which reflect current education research, developments and innovations internationally and as evidenced in research.

- Teaching, Assessment and Learning in University and Clinical Practice

City Attractions

Venue

Sydney, the capital of New South Wales, Australia is known as the Harbour City. It 's the largest, city with a population of around 4 million. It has an enviable reputation as one of the world's most beautiful and lies amid a seductive intermingling of land and sea. Sydney is a major global city and one of the most important cities for finance in the Asia-Pacific. Sydney is built around a huge harbour and hosts many tourist attractions as well as a number of beaches, bays and a couple of national parks. Brimming with history, nature, culture, art, fashion, cuisine, design, Sydney 's set next to miles of ocean coastline and sandy surf beaches. Long-term immigration has led to the city 's Reputation as one of the most culturally and ethnically diverse cities in Australia and the world. The city is also home to the Sydney Opera House and the Sydney Harbour Bridge, two of the most iconic structures on this planet. Sydney's 4,757,083 residents sprawl over an area of more than 12,350km². Sydney was the site of the first British colony in Australia, which was set up in 1788. The general area classified under Sydney is actually broken up into 38 separate governmental districts over an area of around 1687 square kilometres. Sydney was originally going to be named "Albion", but its founder, Arthur Phillip, changed the name in recognition of Thomas Townshend Lord Sydney's efforts in authorizing the colony's establishment. Sydney annually ranks among worldwide Top Ten Most Livable Cities lists
