## Amino BioFrequency Therapy

when nothing

else helps!

The doctor of the future  
will not prescribe drugs.  
Instead, he will awaken  
the interest of the  
patient towards his body,  
as well as to  
the reason and the  
possibility of preventing the  
disease

# Revolutionary treatment method

- **For decades** researchers have known that poor or damaged nerve frequencies increase inflammation and impaired function of the nervous system and ultimately, the body shuts down
- **To date**, researchers have not been able to solve this problem
- Amino BioFrequency Therapy is addressing **this HUGE problem**

# Why use Amino BioFrequency Therapy?

**It normalize the body functions and help patients recover where other treatments can't (or just cover symptoms)**

- Therapists/MDs and client notice improvements instantly
- Removes invisible inflammations, toxins and free radicals
- At least 50% pain reduction in 5-15 min
- Increases performance, endurance and muscle movement
- The ONLY treatment to repair broken frequencies
- Increases the body's self-healing ability
- Strengthens the organ and gland functions
- No chemical or organic substances
- 72 Hours treatment in each patch

**We believe it will become the biggest non-chemical treatment method**

## Why by Dr. L. Jon Porman, Arizona, USA

"**The past 20 yrs I have always been at the forefront of** utilizing the most efficient technologies. I want the very best for each and every patient I see.

So I initially used chiropractic, ultrasound & interferential. Then, I switched to using lasers, microcurrent, Russian stim, soft tissue techniques and chiropractic.

Now, I utilize chiropractic & neurological resetting when appropriate, and **nearly 100% of the time AminoTherapy patches.**

And, many times I find the patches alone help me achieve **the result of decrease in pain and inflammation within minutes!**

I can say in the past 20 yrs of practice that not a single therapy or even combination of therapeutic interventions has produced **the immediate results I have witnessed on a daily basis.**

**And it's been a lasting effect that others are seeing as well too.**

Thank you Mikel Hoff!!!!"

# Chemical free space

- NASA developed the material 20 years ago

Carbonised Metal 28,4 % pure metal

**They use it to,**

- Measure Astronaut health
- Send and receive pictures
- Program satellites
- Release frequencies to the body
- Used as heating protection

**The material main tasks:**

- Charged at hold frequencies
- Send frequencies
- Receive frequencies

**NASA Patented material**

# Registered products

- MEDICAL CLASS 1, CE marked & FDA approved

# How does it work

## – Nervous system signalisation

- Helps the brain to correct the error by returning the "correction signals" to both the brain and other body parts and organs and glands.
- We have between 5-15 million different chemical and electrical signals in our nerve pathways throughout the body
- Immediately activated by bodies infrared heat
- Breach in frequencies weaken the immune system
- Refocus nervous system priorities and body's defence system and resources

# Control the frequencies...

- and make your body work as intended

- Aberrant frequencies result in dysfunctional organs and disease
- **All functions in our body is led by frequencies**
- Frequencies create body's ability to self repair and the production of antioxidants
- Free radicals occur when a frequency drops below it's normal level
- **Oxidative stress = Mutated Cells**
- Invisible inflammation (silent killer) – is the cause of auto immune diseases

# Methodology of treatment

- developed by Dr. Mikel H-G Hoff

- 1) Decrease pain via nervous system
- 2) Wide range treatment
- 3) Treat inflammation in:
  - *The nervous system*
  - *Lymphatic's*
  - *Muscles*
  - *Organs*
- 4) Stop free radicals from spreading
- 5) Deeper accurate treatment with higher frequencies
- 6) Increase immune system
- 7) Rehabilitation
- 8) Prevention

**NO CHEMICALS  
- NO NEEDLES**

# Tererai Trent's Testimonial

-Autor & speaker

“The results were incredible and almost immediate!  
I have been in such pain due to my "frozen shoulder"  
for over 3 years and nothing had helped me.

In only 1 treatment I literally felt no pain, awoke from  
deep and restful sleep for the 1st time in many  
months and I was able to actually lay on that  
shoulder. I am also my happy self again.”

“I know SOOO many people with pain that this technology could help improve their lives”
