About Rome

Rome is the capital city of Italy it also serves as the capital of the Lazio region. It is the fourth most populous city in the European Union by population within city limits. Rome has a Mediterranean climate with cool, humid winters and warm, dry summer. Education in ancient Rome progressed from an informal, familial system of education in the early Republic to a tuition-based system during the late Republic and the Empire. The Roman education system was based on the Greek system and now holds some of the most ancient and popular universities of the world.
