

INTERNATIONAL CONFERENCE ON  
**VETERINARY &  
ANIMAL SCIENCE**

February 17-18, 2020  
Dubai, UAE

# Invitation

Meetings International proudly announces the **International Conference on Veterinary & Animal Science** scheduled during **February 17-18, 2020** in **Dubai, UAE**. The conference emphasizes the theme “**Accentuating Current and Evolving Issues in Veterinary Science and Animal Health**”.

Animal Science 2020 will be an innovative and worthwhile international gathering emulating the advancement of veterinary & animal science in the 21st century and offers an extensive redirection to the veterinary students and professionals coming from both academia and industry. This gathering gives an incredible chance to talk about the most recent progressions in the field. Animal science conference focus on different veterinary areas such neonatal survival, animal growth & development, animal health: physiological & molecular indicators, genetics and animal breeding, veterinary medicine, veterinary dentistry, animal biotechnology, livestock production, animal nutrition & wellbeing, dairy food production & quality control, agriculture, animals and the environment, animal behavior, animal welfare etc. 2nd International meeting on veterinary & animal science offers an exclusive opportunity to the individuals related to the field across the world to gather, interact, and share new scientific innovations.

Sincerely,  
Operating Committee

■ Research Scholars

■ Business Enterprenures

## *Explore Dubai*

Dubai, the city of gold, a relatively young destination with an entrancing history and a dynamic legacy offers guests a fascinating look into Arabian culture. Dubai is the fourth most-visited city in the world based on the number of international visitors and the fastest growing, increasing by a 10.7% rate. Dubai has been called the “shopping capital of the Middle East”. Dubai is an unrestrained city, which pushes the points of confinement on its design and its social preoccupations. The Burj Khalifa, at a stature of 828 meters (2,716 feet), is as of now the tallest working on the planet. Dubai has a wide range of parks and beaches. Dubai Creek Park showcases some of the most famous tourist attractions in Dubai such as Dolphinarium, Cable Car, Camel Ride, Horse Carriage and Exotic Birds Shows. So join us and enjoy the charm and beauty of the city.
