

Welcome Message

3rd International Conference on
3D Printing and Additive Manufacturing

May 18-19, 2020 | Paris, France

Dr. Paul Guillaumot

CEO, Spare Parts 3D, France

Dear Colleagues and Friends,

"We hardly see only the premises yet, but Additive Manufacturing technologies combined with Digitalisation of manufacturing processes and workflows are driving the next industrial revolution.

Just like the internet has distributed and accelerated communication globally, AM is the technology to distribute manufacturing thus enabling for a tailor-made, localized and sustainable production model.

We are very excited to host you for the 3rd International Conference on 3D Printing and Additive Manufacturing in Paris, to showcase how this industry is framing our future!"

We welcome you to this conference and look forward to your participation.
