

Dear Friends and Colleagues:

Advanced Dentistry 2020, Toronto, Ontario, Canada March 23-24, 2020. We would like to extend a warm welcome to those who continue to strive for excellence by learning the latest innovations in Dentistry. The aim of the conference is to bring together new researchers, scientists, dentists, students and oral health professionals so that their knowledge can be used to transform the outcomes for patients.

Many delegates from around the world will gather together to exchange new ideas, to establish business or research relationships and to find global partners for future collaboration. Would you like to present your abstract to a global audience?

This is the place to do it. So, make your plans to join us in Toronto, Ontario, Canada to be a part of this wonderful series of lectures, this is science at its best.

Welcome and best wishes, I look forward to meeting you all.

Sincerely
Carol Wells, Registered Dental Hygienist
