**WELCOME TO THE  
WORLD SUMMIT ON CLIMATE CHANGE & GLOBAL WARMING  
TOKYO | JAPAN**

**November 26-27, 2018**

On behalf of the citizen of Japan, it my pleasure to welcome you to the World Summit on Climate Change 2018.

We are delighted that you choose to host the conference in our beautiful city. This conference/summit is a wonderful opportunity to not only educate students and young researchers but deepen understanding of changing ideas. I am certain you will find Tokyo to be the perfect location for your conference and I invite you to explore Japan's Capital during your stay here.

Please accept my warmest wishes for an enjoyable event in Tokyo.

Best personal regards

**Prof. Shoichiro Ozaki**
