

Message from the Mayor

It gives me great pleasure to extend greetings and a warm welcome to everyone attending the International Conference on Food Processing and Technology.

This conference will be an opportunity for conference attendees to discuss current issues in the field of Food Technology, Food and Nutrition, Chemical Analysis of Food, Food Preservation and Packaging, Food Law and Economy, and Dairy Science and Technology.

As Canada's largest city and the fourth largest in North America, Toronto is a global centre for business, finance, arts and culture and is dedicated to being a model of sustainable development. I welcome everyone to our city and encourage you to enjoy Toronto and learn about our vibrant neighbourhoods.

On behalf of Toronto City Council, please accept my best wishes for an informative and enjoyable event.

Yours truly,

**John Tory
Mayor of Toronto**
