

WELCOME MESSAGE

June, 2018

Dear Friends and Colleagues,

It is a great pleasure and an honour, as member of the Organizing Committee and representing of the hosting Country, to invite all of the great scientists, academicians, young researchers, business delegates and students from all over the world to attend the Materials Science Conference 2018: that will be held on June 25-27, 2018 in Rome, Italy.

The theme of The Materials Science Conference 2018 “Advancing the Research & Innovation on Materials Science for The Global Prosperity” will underpin the need for collaboration and cooperation of individuals from a wide range of professional backgrounds.

Materials Science Conference goal is to bring together, a multi-disciplinary group of scientists and engineers from all over the world to present and exchange break-through ideas relating to the materials science and technology. In fact the development materials was, is and will fundamental for all the technological applications and in the entire field of applied science targeting the improvement of quality life for humanity.

We hope you will join us for a symphony of outstanding science, and take a little extra time to enjoy the spectacular and unique beauty of this region. Rome is a unique and unbelievable location for the Congress and I hope you will have the opportunity to visit the town.

With best wishes,
