

## Welcome Note

**14th International Conference on Materials Science & Technology**  
**April 20-21, 2020, Singapore**

**Dear Friends and Colleagues,**

On behalf of Organizing Committee Chair, it is a great pleasure and an honor to extend to you all a warm invitation to attend the **14th International Conference on Materials Science & Technology**, to be held **March 25-26, 2020** at **Miami, USA**.

The theme of the conference **“IMPROVING THE DEMAND FOR MATERIAL SCIENCE WITH THE ASSISTANCE OF ONGOING TECHNOLOGIES”** will underpin the need for collaboration and cooperation of individuals from a wide range of professional backgrounds.

**Materials Technology 2020** will provide a wonderful forum for you to refresh your knowledge base and explore the innovations in **Materials Technology 2020**. The conference will strive to offer plenty of networking opportunities, providing you with the opportunity to meet and interact with the leading scientists and researchers, friends and colleagues as well as sponsors and exhibitors.

We hope you will join us for a symphony of outstanding science, and take a little extra time to enjoy the spectacular and unique beauty of this region.

**With best wishes,**

**Prof. Dr. Alireza Heidari, Ph.D., D.Sc.**

**Full Distinguished Professor and Academic Tenure of Chemistry &**

**Enrico Fermi Distinguished Chair in Molecular Spectroscopy &**

**Director of the BioSpectroscopy Core Research Laboratory at**

**Faculty of Chemistry, California South University, (CSU), Irvine, California, USA &**

**President of the American International Standards Institute (AISI), Irvine, California, USA**
