On behalf of organizing committee, we invite you to participate in the “**International conference on Nanotechnology and Nanomaterial’s**” conference which is going to be held during **May 27-28, 2022, at Zurich City, Switzerland.**

We would like to inform you that your abstract entitled “**Antibodies (Abs) with Functionality (Ab-Proteases) as a New Generation of Translational Tools designed get Healthcare Model Re-Armed**” have been accepted after peer review process by our editorial committee for “**Oral**” presentation at Nanotechnology 2022. We are inviting you to join us and share your knowledge and views on the theme “**EXPLORING THE DEVELOPMENT IN NANOTECHNOLOGY**”.

All accepted abstracts/papers will be published in the conference proceedings and supporting journals of Nanotechnology 2022. The International conference on Nanotechnology and Nanomaterial’s has been initiated by the Editors of Pulsus Journal of Material Sciences & Engineering and Journal of Powder Metallurgy & Mining.

Kindly go ahead with the registration process to confirm your participation.

To register, please follow this link: <https://www.meetingsint.com/conferences/nanotechnology/registration>
