Dear Colleagues,

Being a Keynote, it is my great honor and pleasure to invite you to participate in the 6<sup>th</sup> World Conference on Neurology and Neurosurgery during March 27-28, 2019 at Paris, France.

Neurology Conference 2019 brings together domain experts, researchers, scientist, Professors, industry representatives, postdoctoral fellows, and students from around the world, providing them with the opportunity to report, share, and discuss scientific questions, achievements, and challenges in this field.

One of our aims is to generate new investigations and collaboration between neurologists. We also are very interested to welcome students and postdoctoral researchers in order to provide them the opportunity to show their investigations about Neurology and Neurosurgery.

Examples of the diverse Neurology topics that will be covered in this comprehensive conference include Neurology, Pediatric Neurology, Neurophysiology, Neurological Disorders, Spine Surgery & Spine Disorders, Neuroinfections & Neuroimmunological disorders, Nursing Care in Neurology etc.

In Neurology Conference 2019, you will be able to share experiences and research results, discuss challenges encountered and solutions adopted and have opportunities to establish productive new academic and industry research collaborations.

We hope that this conference will be productive and satisfying. Personally, I hope that you have a very enjoyable and entertaining stay here, in Paris, France.
