*Mayor, City of Mississauga*

## **Personal Message from Mayor Bonnie Crombie**

On behalf of the City of Mississauga and the Members of Council, I am pleased to extend my warmest wishes to the leadership, panellists, keynote speakers, and participants of the **13<sup>th</sup> International Conference on Neuroscience Research on May 19-20, 2025 at Rome, Italy.**

As participants from around the world gather to explore and celebrate the theme **"Structuring a Superior Brain through Brainstorming Neuroscience Research,"** I offer my heartfelt best wishes for a thought-provoking and enriching discussion. This conference will undoubtedly shed light on recent achievements and on-going challenges in the field of neuroscience.

The innovative ideas and knowledge exchanged here will play a crucial role in advancing neuroscience by fostering the development of new techniques and applications. These breakthroughs will not only enhance the field but also contribute to improving global health, benefiting people everywhere

*Bonnie Crombie*

Warmest Regards

Bonnie Crombie, MBA, ICD.D
