

Dear Colleagues,

It is a great pleasure and an honor to extend to you all a very warm welcome to the annual “International Conference on Nuclear medicine and Radiation therapy” organized between 16 and 17 July, 2018 in Madrid.

The Conference will provide a wonderful forum for you to refresh your knowledge base and explore the innovations in the field of nuclear medicine and radiation therapy. This Conference will strive to offer plenty of networking opportunities, providing you with the opportunity to meet and interact with distinguished scientists, health professionals and researchers as well as distinctive experts. Keynote lectures will be delivered by a distinguished international faculty, while with the participation of outstanding experts, productive discussions will be stimulated that will keep medical professionals up to date on issues affecting the global diagnostic and non-invasive treatment challenges with the aid of advanced radiation and nuclear imaging equipment.

With these few words I wish you a successful preparation and fruitful meeting in Madrid.

Best wishes,

Andreas Fotopoulos

Professor of Nuclear Medicine, Department of Medicine, Greece

President of Greek Society of Nuclear Medicine & Molecular Imaging
