

Vice President,

Sea Global goodwill Ambassadors

It is an honor to write this Welcome letter on behalf of the Organizing Committee of the Nursing Education 2020 conference which is organized by Meeting International.

I look forward to welcome all the Speakers, Students, Sponsors, Researchers and Delegates at this premier event to discuss and create awareness about credited technical and beneficial research advances in the clinical, diagnostic and physiological aspects of Nursing Practice and Nursing education.

See you at on March 16-17, 2020 at Berlin, Germany, which is a unique platform to study basic and advanced researches and treatments in the fields of best Nursing Education and Practice.

MS. SUCHI

Motivational Speaker
