

Welcome to our 2nd International Conference on Pediatrics Health and Primary Care at Osaka, Japan on April 29-30, 2022!

My name is Chris Moses. I am an Environmental Epidemiologist in Washington State and CEO/Founder of PIPC Consulting LLC which is an infection control and prevention as well as a domestic violence consulting company. On behalf of the ongoing organizing committee members and speakers for Pediatrics Health 2022, I would like to briefly welcome you to the 2nd International Conference on Pediatrics Health and Primary Care at Osaka, Japan on April 29-30, 2022.

It is under the theme “Innovative Approach to Pediatrics Health and Primary Care” that the upcoming 2nd International Conference on Pediatrics Health and Primary Care in 2022 is going to unite pediatricians, neonatologists, and other specialists in youngster advancement and to tradetheir thoughts and information enabling the exchange of advances in both science and practicewithin the research and clinical community.

At the end of the conference, attendees will be able to exchange collaborations for business purposes, do brainstorming sessions for current and future publications, identify the future directions of research, and publish quality peer review articles.

Keynote Speaker and Organizing Committee Member,

Chris Moses
